About the Restaurant

Off the Hookah's first location was envisioned as a neighborhood spot where Fort Lauderdale locals could relax and enjoy the beautiful city that too often was taken for granted and Fort Lauderdale's interior design reflected our vision for both an intimate and elaborate waterfront lounge. Since Off the Hookah's beginnings both the atmosphere and menus have evolved.

Off the Hookah has now become a top restaurant and nightlife destination in West Palm Beach's glittering Clematis Street scene, Miami's stunning Bayfront Park, Fort Lauderdale's beautiful Riverfront District, as well as Richmond, Virginia's trendy Shockoe Slip. The restaurants boast one of the finest Mediterranean and Japanese menus offered in their respective areas. Off the Hookah offers unparalleled happy hour specials at each location and brings the spotlight to every venue by featuring exciting nightly line-ups with live entertainment and live performances, as well as special and themed events. Additionally because Off the Hookah is both an intimate and elaborate space it has become a premier venue for event and party hosting.
